
On some issues of the state sovereignty of Russia

© S.A. Soboleva

Bauman Moscow State Technical University, Moscow, 105005, Russia

The author broaches threats to the Russian state sovereignty and deals with the issues related to it. She has covered financial threats and threats to the economy, territorial and ideological challenges. To explain the causes which have been provoking these menaces, the author brings forward problems and hardships post-soviet countries have been facing, imposing and propagation of neoliberal ideology and relativity of moral values being the foremost of them. To overcome the challenges first and foremost we have to rear and cherish our national and cultural identity, and to create the common national ideology of renaissance of Russia.

Keywords: *state sovereignty, macroeconomic solutions, territory, ideology, national identity, neoliberalism.*
